# Commitment for Field Review

*This letter must be submitted with the Building Permit Application for all buildings within the scope of Part 3 of the National Building Code of Canada, and/or within the scope of the National Energy Code of Canada for Buildings*

To: The Local Authority

_____
Municipality (Print)

Re: _____
Name of Project (Print)

_____
Address or Land Description of Project (Print)

The undersigned hereby gives assurance that the design of the components of the design and supporting documents prepared by this registered professional, substantially comply with the applicable edition of the National Building Code of Canada, National Energy Code for Buildings and the *Uniform Building & Accessibility Standards Act and Regulations*:

*(Note: initial all design components that apply to this registered professional. A separate commitment for field review must be completed by each separate registered professional. Please note that all of the disciplines may not be necessary on all projects)*

_____ Architectural
_____ Structural
_____ Mechanical
_____ Electrical
_____ Fire Suppression
_____ Energy Efficiency
_____ Other (specify)

The undersigned hereby undertakes to be responsible for the field reviews of the above referenced components during construction.

The undersigned also undertakes to notify the Authority Having Jurisdiction in writing as soon as possible if the undersigned's contract for field review is terminated at any time during construction.

I certify that I am a registered professional as required by the *Uniform Building and Accessibility Standards Act*.
